MOTION BY SUPERVISOR YVONNE B. BURKE

April 4, 2006

Libraries are part of the American Dream – places for opportunity, education, self-help and lifelong learning and our nation's libraries help people change their world. ;

Libraries play a vital role - providing millions of people with the resources they need to live, learn and work in the 21st century;

Libraries bring you a world of knowledge both in person and online, as well as personal service and assistance in finding what you need, when you need it;

The County of Los Angeles Public Library joins libraries, librarians, library workers and supporters across America in celebrating National Library Week;

THEREFORE, I MOVE that the County of Los Angeles Board of Supervisors hereby proclaims National Library Week, April 2-8, 2006, and encourages all residents to take advantage of all that their library has to offer and discover the many ways they can change their world @ the library.
